

## **Fund-Raising Policy**

It is the policy of Grace Lutheran Church and Schools to have all fund-raisers approved by the Grace Administrative Council (School Board) at least one (1) month prior to the event. All approved fund-raising events will be placed on the Fund-Raising Calendar and posted on the Church and School websites. All on-going annual fund-raising events, such as School Auction and Christmas wrap will need to be renewed on an annual basis and all paper-work properly filled out. Fund-raising Request Forms can be located in the Church and School offices. Forms are also available on the Church and School website.
